Hon. Paul A. Crotty
United States District Court
Southern District of New York
500 Pearl Street
New York, NY 10007
Dear Judge Crotty,

Re: US v. Kosic (Nunez)
18 Cr. 30 PAC

ordered

*Paul McCarthy
USDC*

I have been assigned by the Second Circuit to represent Michael Nunez in his appeal to that Court from the judgment of conviction against him for narcotics conspiracy. Pursuant to the representation, I must review the Presentence Report prepared by the Probation Department in advance of his sentencing. I have attempted, to no avail, to obtain it from defense counsel who represented the defendant in the District Court. I believe that the Probation Department will not release the Report to me without the Court's order. If Your Honor will so order, I believe that your endorsement to that effect on this letter should suffice for the Department to produce the Report to me.

Thank you for your attention.

Respectfully,

S/Lawrence Mark Stern
